## Software Developer

Address	Kraków Poland	Phone	+48 786 699 273
Email	meta.ml@proton.me	Links	<a href="#">Personal Website</a> , <a href="#">LinkedIn</a> , <a href="#">Github</a>

## 01 PROFILE

I'm a Software Developer with more than **6 years of experience**. Technology is my passion. I really enjoy creating digital services and watching how they affect our lives. My approach to product development is multifaceted, considering business, design, user, and technical perspectives. The tech world empowers engineers to build innovative solutions, and I'm excited to be a part of that journey.

## 02 EMPLOYMENT HISTORY

08/2023 — Present

### Software Developer at Kaseya

Kraków

At Keseya, I worked in the Networking domain on several projects that are part of a large infrastructure enabling MSPs to manage and monitor their devices. I developed iOS/macOS VPN solutions, enhanced the backend API, and integrated new capabilities for managing device firmware into web services.
